# Animated Video Creation Proposal

PROPOSED BY

Sanppy Script

# ***"Get your message straight to your audience's core with Animated Videos and pave the way for higher conversions and sales "***

## **INTRODUCTION**

Animated videos have become one of the most powerful tools for marketing endeavors. Their power lies in the fact that they can tell the story of your product, in a matter of just a few seconds, and in a fun and engaging way!

Snappy Script can help you create compelling stories with professional looking animations, convincing scripts, high-quality voicing and music to engage your audience.

## **OUR SOLUTION**

Animated videos stick to your memory to make an impact -and to engage you! And we can help you do just that to your audience.

We'll creating everything from scratch to ensure a high quality animated video to suit not just your product/service/campaign but your brand too.

- **Target audience** - Everything will be created keeping your audience in mind
- **Brand** - Right colours to look cohesive with your other marketing materials
- **Quality**- Everything from animations, voice , background music to background imagery
- **The value proposition** - This is the main point you're trying to get across. So our experts will find the most effective way to do it.
- **Different versions** -Right version for your Website, Facebook, YouTube, Twitter or Instagram accounts...

## **WE DO**
